**BRIDGEVILLE VISITOR'S CENTER**

**PROJECT DESCRIPTION:** This project involves the acquisition of land upon which the Bridgeville Visitor's Center was built in the late-1990's. The land was donated to the state conditioned upon its being used as a visitor's center. Since opening the center has been operated by the State Chamber of Commerce under agreement with the Department of Transportation. The Chamber determined that, effective in 2001, operations were no longer economically viable. The owners of the property have agreed to sell the land in order that it be used for some other approved public purpose. The FY 2002 Bond Bill authorizes the Department of Transportation to effect acquisition and transfer the land and improvements to the State Department of Administrative Services for other public purpose(s) as agreed to by the Governor and General Assembly.

**PROJECT JUSTIFICATION:** This purchase protects the substantial state investment in facility improvements that were made to support the original Visitor's Center concept.

**County:** Sussex  
**Municipality:** Bridgeville  
**Funding Program:** Support System  
**Functional Category:** Expansion  
**Representative District:** 35  
**Senatorial District:** 19
